

SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE

November 3, 2006

Permit Number: OCRM-06-322-B
Permit ID: 55779

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Rhodia, Inc.
c/o Lonnie M. Gleaton
2151 King Street Extension
Charleston, SC 29405-8339

LOCATION: On and adjacent to Ashley River at the Rhodia Plant at 2151 King Street Extension,
Charleston, Charleston County, South Carolina.
TMS # 466-00-00-011

WORK: The work as proposed and shown on the attached plans consists of installing a 40' wide by 250' long geosynthetic liner on top of contaminated river sediments. The purpose for the proposed work is to cover and contain phosphorus contaminated sediments adjacent to the Ashley River.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

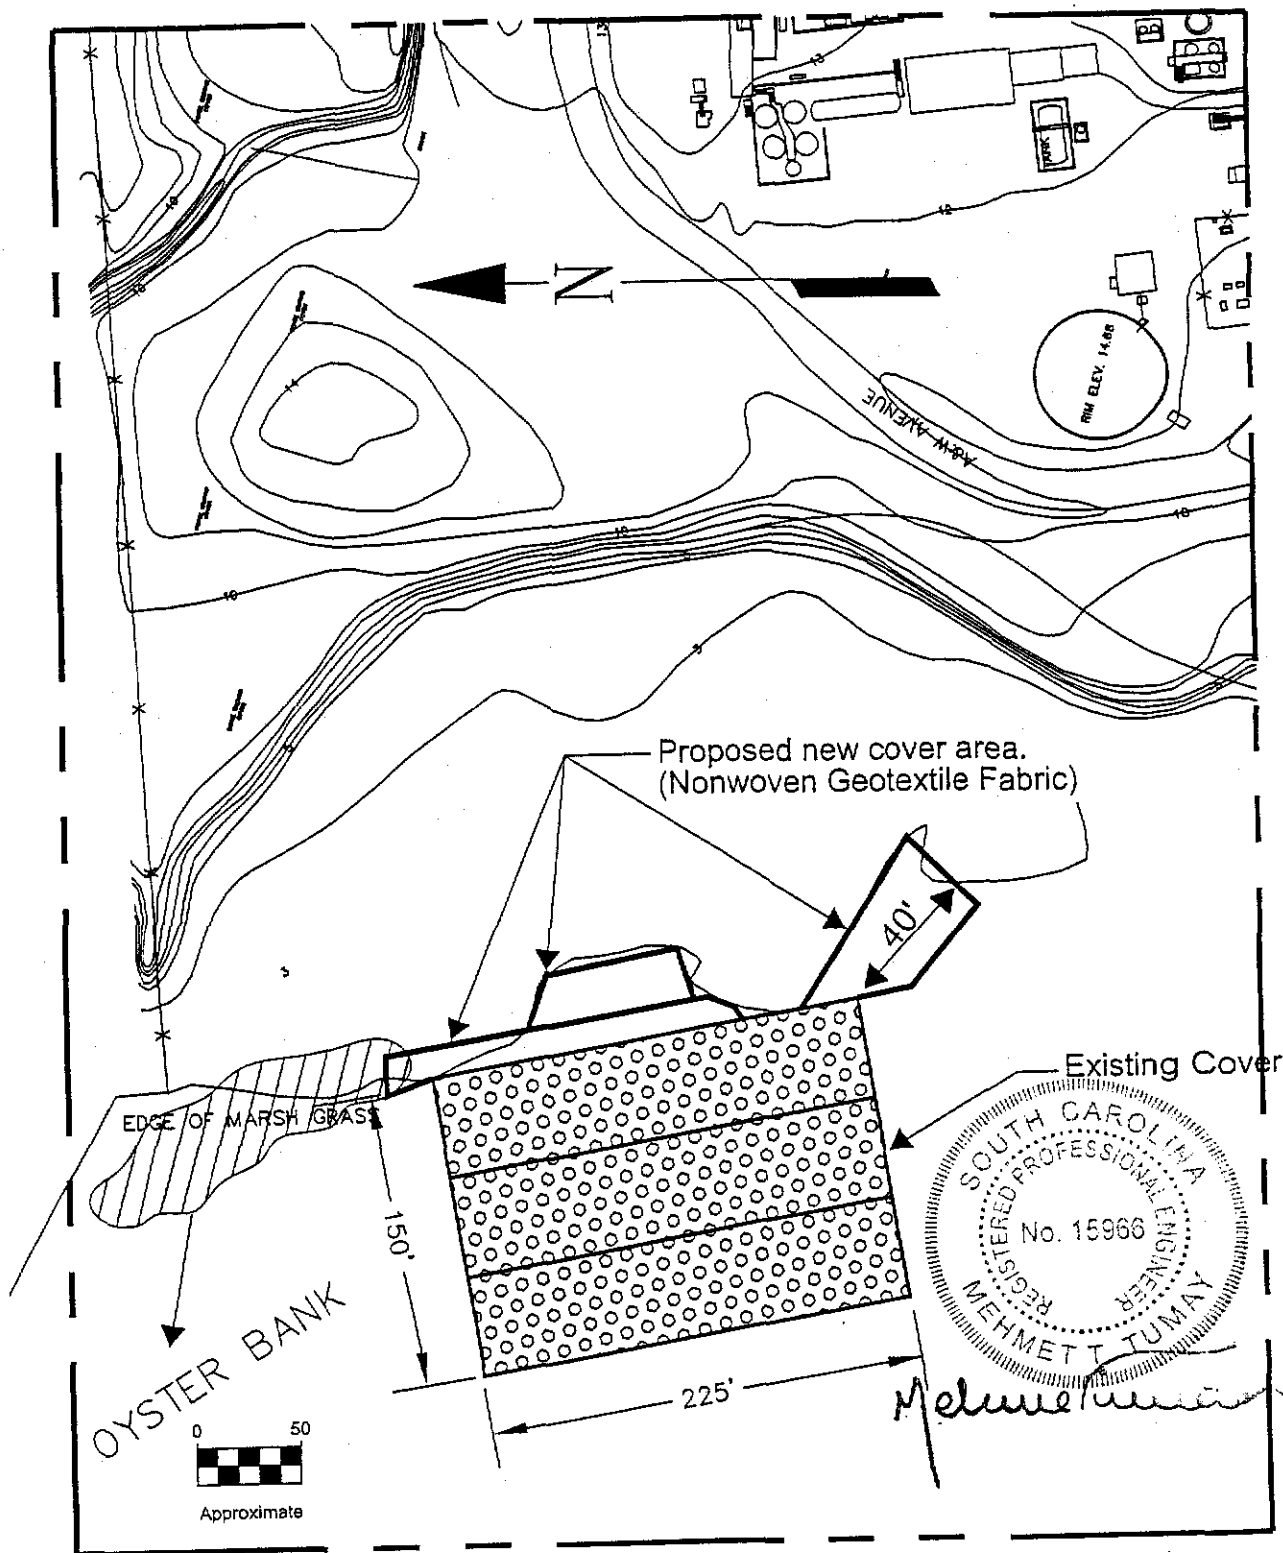

To assure review by OCRM, comments regarding this application must be received by OCRM on or before December 3, 2006. For further information please contact the project manager for this activity, Steven Brooks at 843-747-4323 ext.118.
